Sermon Notes | **THE FRUIT OF THE HOLY SPIRIT**

Date Preached | Tuesday, 22nd March 2022

---

**“ But the fruit of the Spirit is love, joy, peace, longsuffering, kindness, goodness, faithfulness, gentleness, self-control. Against such there is no law.” – Galatians 5:22-23 NKJV**

- There is no fruit that isn't sourced from a tree.
  - Even though not every tree bears fruits, every fruit comes from a tree.
- The Holy Spirit has a fruit. He doesn't have fruits although He has gifts.
  - Naturally, only one type of fruit comes from one particular tree. **If everything natural is outsourced from the spiritual, then it's no surprise why the Holy Spirit has one FRUIT and not *fruits*.**

- 
- **The fruit of the Holy Spirit is LOVE.** But LOVE contains 8 more constituents.
    - So I see it in this way. *8 constituents within and love being the outer covering of all of them.*

- All 8 constituents spring out of love
  - 1. **Joy** - 1 Corinthians 13:6
  - 2. **Peace** - 1 Corinthians 13:5
  - 3. **Forbearance (longsuffering)** - 1 Corinthians 13:4
  - 4. **Kindness (Gentleness)** - 1 Corinthians 13:4
  - 5. **Goodness** - 1 John 3:18
  - 6. **Faith** - Galatians 5:6
  - 7. **Meekness** - 1 Corinthians 13:4
  - 8. **Temperance** - 2 Timothy 1:7 ⇔ 1 John 4:8
- 

Grow in the manifestation of God's love unto the Lord and others. And there'll be the manifestation of the fruit of the Holy Spirit in your life.

*Meditational Quotes by Christ In Andy*

1. You can't be too serious to neglect your gentility.
2. Do you claim to love someone with a pure passion as God loves you, then don't give up on the person.
3. If you want peace to overflow, don't take offense.
4. There can be no rejoicing if joy is absent.
5. Every tree bears only one kind of fruit because God made it so since the beginning. If everything natural is outsourced from the spiritual, then it's

wrong to say the Holy Spirit has nine fruits in one. Love is the ONLY fruit of the Spirit, and all other 8 virtues mentioned in Galatians 5:22-23 springs out from it.
